3. Grant conditions will include schedules for implementation of Phase 1 and Phase 2 facilities and a requirement that all previous grant funds on project C-06-1022 (SAM regional project) will be returned to the State Board and EPA if the compliance schedules are not met. The Division of Water Quality will require that all treatment works will be in operation before July 1, 1983. Mutually agreeable wording for those conditions will be developed by State and SAM attorneys. The grant conditions will be incorporated into a court order by the Attorney General's Office.
